If admission to one of the desired schools is not possible, I agree to be transferred to another Innsbruck AHS (Gymnasium or Realgymnasium)  **YES**

If admission to an AHS is not possible, I have the following wishes in the event of a necessary transfer to an MS:

MS-Preference 1:	_____
MS-Preference 2:	_____

**PLEASE NOTE:**

- The indication of a second and third preference in no way affects the weight of the first preference. **If no second and third preference is indicated, it is assumed that no admission to an AHS (other than the first preference school) is sought.**
- The **time of application** has no influence on the ranking.
- The **indication of a MS preference** does **NOT** affect the chances of admission to an AHS but facilitates the allocation to a suitable MS in Innsbruck if reallocation is necessary.

I hereby give my consent to the computerized recording and processing of this personal data. I agree that in the event of a change of school, the basic personal data may be transferred to the receiving school or may be taken over by the leaving school.
